

Ruskin Memorial Veterans of Foreign Wars, Post 6287
Veterans Day Parade Rules 2010

- C Our parade permit is for a rolling parade only. All parade participants must keep moving and not stop for any kind of demonstration of their skills, entry or group.
- C Avoid any large gaps between other groups of parade participants and strive to maintain an evenly spaced, continuous moving parade.
- C Throwing beads and candy is permitted; however, must be thrown only to the east side (right hand side) and over barricades to prevent anyone from going into the street to pick up any items. No beads or candy is to be thrown into the median strip or to the west side (left hand side) of the parade route into the south bound traffic lanes.
- C A minimum of two (2) out-riders / security personnel are required for each motorized entry and all youth groups.
- Each entry will receive an entry number which will determine their placement in the staging and parade route as well as will be used for recognition by the Master of Ceremony and by the panel of judges. This number must be predominately displayed on right hand side near the front of any vehicle or person.
- C Be lined up in your assigned position on the street and be ready to roll by 11:00 a.m. as we kick off the parade promptly at 11:00.
- C When turning off Highway 41 into the parking lot you must keep moving all the way into your designated staging area so the rest of the parade is not standing idle or blocking the procession behind it. At the Captain's Meeting on October 27th, you will receive a map with your assigned entry number as well as your assigned staging areas which must be utilized prior to and following the parade.

In the interest of having a fun and safe parade for participants as well as attendees, please adhere to the above rules so parade permitting will be allowed to continue in the years to come. Please share this listing with everyone in your group.

All parade participants are welcome back at the VFW Post 6287 following the parade for the awards ceremony, food, music, and festivities.

Please read, sign and return with your entry application.
